

# Dental Implant Symposium

February 27-28, 2026

## Sponsorship Benefits

Programming is designed to facilitate the exchange of ideas, innovations and best practices between all levels of professionals, researchers, health care team members, private sector, thought leaders, and educators.

Supporters will receive:

- Visibility and recognition amongst top quality researchers and practitioners.
- An opportunity to demonstrate their organization's confidence and support for the emerging research and for the next generation of leaders in the field.
- Invitations to special donor events hosted by Harvard School of Dental Medicine.
