MMSc Defense Committee Approval

(To be approved before the thesis defense)

PROPOSED THESIS ADVISORY COMMITTEE MEMBERS

The Thesis Advisory Committee is comprised of two full-time faculty members. There may be carry over from the Thesis Advisory Committee to the Thesis Defense Committee however there must be one new reader. Part-time faculty or outside experts may serve on the committee based upon the nature of the project and the faculty's area of expertise. Students may select one non-HSDM member appointed in a preclinical science department of the Faculty of Medicine, the Faculty of Public Health, or the Massachusetts Institute of Technology (if the research is related to biomaterials or bioengineering). All members of the committee should be well acquainted with the student's area of research. The research mentor and program director cannot serve as official members of the Defense Committee.
